

Talent Search Application Form & Information

Thank you very much for getting in touch about Disney's talent search for their new teen star. The programme will involve those selected, to take part in a reality talent series which will be shot and aired this summer (2010). We are Unique Television - the production company who are making the series for Disney Channel.

We're really excited to find some amazing new UK talent. Whether someone's had singing lessons for as long as they can recall, or if they are more likely to sing along to their favourite CD... we want to see your Video Performance!

As you may know - all Disney's big stars have something special - star quality. If you think you have the star quality, the confidence and personality that it takes to be the next Joe Jonas or Hannah Montana... what are you waiting for? Get your Video Performance into us ASAP!

To apply for the Disney casting, the applicant will need to fulfil the following criteria:

- Be aged between 12 and 16 on 1st October 2010.
- Send us a VIDEO PERFORMANCE - some footage of yourself (the applicant) performing. **Please see information on Page 2 regarding what we would like you to film and any top tips you should follow.**
- The applicant must complete an Application Form and their parent / legal guardian **MUST** sign to verify that they approve their child is applying for the casting.
- Please remember to include photographs.

***Please find details of what we will need you to film and top tips of how to film a great video on Page 2**

We will receive thousands of Video Performances for this casting, so unfortunately cannot return any tapes / DVDs / photographs we receive. Nor can we offer any feedback at any stage of the application.

Successful applicants will be contacted by Unique Television and invited to audition. As this will be a very popular opportunity we can only contact successful applicants. Please do not contact us to check the status of your application. If you have not heard from us by the end of April 2010 then you haven't been successful this time.

Thank you so much for reading this information. We wish you the very best of luck and can't wait to watch your Video Performance.

Talent Search Application Form & Information

INSTRUCTIONS FOR FILMING YOUR VIDEO. PLEASE READ! IMPORTANT!

We can accept footage on the following formats:

- DVD
- VHS
- Mini DV
- Videos sent to our email address talentsearch@ucgtv.com
- Videos uploaded onto eg. youtube or a website - please provide the links in your application.

What we would like you to film, in the following order:

1. Introduce yourself and tell us a bit about you. Eg. Who do you live with, what are your hobbies etc. Anything at all!
2. Introduce the song, tell us why you chose it, why you enjoy singing it and how it best reflects you.
3. Yourself singing a contemporary song of your choice. (Pop / Rock / RnB etc). You can perform a second song if you think it shows a different side to your first performance. Please film your best performance first. If you play any instruments that would accompany your performance please feel free to do so.
4. Anything else you will like to show us - eg. Dancing, telling jokes, a role play, or just talking to us about anything at all!
5. Answer the following question. Why do you think you can be Disney's next big star? Tell us EVERYTHING!

Top Tips to consider when filming your video:

- Be yourself. Disney are looking for a new and unique personality so please show this in your performance. Please do not imitate the person who sings the song you have chosen - we want to see the real you, your personality and style of performance.
- We are looking for talent who can really perform a song, not just sing it
- Please do not use a backing track or hand-held microphone. (You can use a mic as a prop, but not for sound). Very often we cannot hear people singing above the backing tracks on video recordings. We want to make sure that we can hear your performance clearly.
- When the applicant is singing please keep the camera shot on a wide shot. This is so we can see your full body to capture your full performance throughout.
- When talking to the camera, the shot should be from middle of the body upwards - we would like to see your face clearly!
- Please do not send in tapes of previous performances. Eg. Performing in school play or in a local theatre production. These tapes are not ideal as they can at times be bad quality which makes it difficult to hear / see the applicant. The best place to film the Video Performance for this programme would be at home in a brightly lit room. If you would like to send in examples of any performances on stage as a bonus, this is fine. But do not send it instead of the Video Performance we have outlined above.
- We'd love to see the real you - so relax, have fun and be yourself!
